OF THE STATE OF CONNECTICT AND HER CITIES. From Actual Surveys and Instrumental Measure

the whole Territory.

PUBLISHED BY CLARK & TACKABURY BRO'S, Phila. THE people of Connecticut have long felt the need of an explicit and reliable Map of their State. We take pleasure in being able to say, that the surveys which have been in progress for a few y-ars past, preparatory to such a work, are now completed. The Map has been drawn by G. M. Hop-xiss, Jr., Civil Engineer, on a scale of 11 miles to the inch. from actual survey and instrumental meas-

The engraving is now completed and the Map will be ready early the present season. The Map when finished, will be one of the most complete ever published, the large scale on which it is drawn affording an opportunity to show in detail very minutely, ore than is usually shown on State Maps,

the size being about five by six feet.

The boundaries of the different counties and of the Congressional districts will be shown, and all the towns in the State represented in different colors. All the different roads, railroads, mountains, lakes, rivers, pends, and also the location of all the public baildings, churches, school-houses, manufacturing essablishments, and private residences, will be care-

fully shown on the Map.

On the margin of the Map there will be separate plans of the cities of Hartford, New Haven, Norwich, plans of the citles of Hartford, New Haven, Norwish, New London, Bridgeport, Middletown and Waterbury—and also plans of all the larger villages.

Particular attention has been given to the preparation of the city plans, and each city will be shown as full and complete as on a separate city map.

There will be many valuable statistics upon the Map,
among which will be shown the population of every
town in the State.

town in the State.

The Coast Survey and Soundings will be shown as made by the U. S. Surveyors.

The work has been engraved by superior artists in Philadelphia, and no expense has been or will be spared to make the Map one of the most reliable and useful, as well as one of the handsomest, ever published of any State in the Union Canvassers are already soliciting subscription, but all will be called upon in due time, and have an opportunity to examine the work for themselves, and judge of its merits.

ONE! DOLLAR

WILL BUY ONE OF THE BEST PURGATIVE AND LIVER MEDICINES, now before the public, namely, DR. SANFORD'S INVIGORATOR OF LIVER RE-MEDY, that acts as a Cathartic, easier, milder and more effectual than any other medicine known. I is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it, and when taken daily in moderate doses will strengthen and build it up with unusual rapidity. DR. SANFORD'S INVIGORATOR is compounded

entirely from new articles of medicine, namely Gums. Some idea of the strength of these Gums may be formed when it is known that one bottle of the Invigorator contains as much strength as one hundred ses of Calomel, without any of its deleterious

Though possessing rare medicinal powers, these Gums have been but little known to physicians, and never used in their prescriptions until used in the form of the *Invigorator*, which met with such unprecedented success as to induce the proprietor to offer it as a family medicine tried and known in its effects. It has rarely ever failed to cure *Liver* complaints in their worst forms.

Indigestion being caused by a deranged Liver

cured when the Liver is excited to action.

Jaundice is caused by an improper action of the Liver, and as proof that the Invigorator relieves this disease, let any one troubled with Jaundice take the Invigorator regularly one week, and their skin will begin to assume its

original color.
Costiveness can be permanently cured by original color.

Costiveness can be permanently cured by the Invigorator. Take it in small doses on retiring, and it assists nature in her operations.

By gradually diminishing the dose, the bowels are left in a healthy and active state, and work as regularly as clock work.

Sick Headache is very soon relieved by

Sick Headache is very soon that taking a double dose of the Invigorator, which taking a double dose of the stomach. corrects all acidity and sourcess of the stomach.

For an over-loaded stomach it has no equal, as it relieves all oppressive or uneasy feeling after eating heartily. For a family medicine generally, all who use it sneak in the highest as it relieves all oppressive or uneasy feeling after eating heartily. For a family medicine generally, all who use it speak in the highest terms.

Dr. Sanford's Invigorator came to us recommended as a cure for Liver Complaints, and all diseases arising from a Diseased Liver. The testimonials of so many of our Physicians in its favor, induced us to try it, and now convicition is certain that it is one of the greatest blessings is certain that it is one of the greatest blessings ever given to Dyspeptics, for it made a complete cure before the first bottle was taken and now we can eat anything edible without trouble, while before nothing but the lightest food would digest, and often that gave pain. Now what we want to say to all our readers is, if Liver Complaint or Dyspepsia trouble you. do not fail to try plaint or Dyspepsia trouble you. do not fail to try this the greatest remedy in the world.—State

We take infinite pleasure in recommending this medicine as a preventitive for Fever and Ague, Chill Fever, and all Fevers of a Bilious Type. It operates with certainty, and thousands are willing to testify to its wonderful There has never been tried in our family

There has never been tried in our family a remedy which has met with such unbounded success in the cure of diseases incident to children, as Dr. Sanford's Invigorator; nor is it alone for diseases of children that we use it; for it acts as a Cathartic so mildly and gently, and distributed among Purchasers with every \$1000 worth of Books sold. All Books sold at Publishers' lowest prices.

All Books that Evans does not publish himself are bought direct from the Publishers, and in large quantities. Books to suit every taste are to be found on his Catalogue, at prices which would be an inducement even without the Gift System, which offers so many additioual advantages.

New York, Jan. 8, 1858.

Messes. O. J. Wood & Co.: Gentlemen—Having heard a good deal about Prof. Wood's Hair Restorative, and my hair being quite gray, I made up my mind to lay aside the prejudices which I, in common with a great many persons, had against all manner of patent medicines, and a short time ago I commenced using your article, to test it for myself.

The result has been so very satisfactory that I am very glad I did so, and in justice to you, as well as for the encouragement of others who may be as gray as I was but who having my prejudice without my reasons for setting it aside, are unwilling to give your Restorative a trial till they have further proof, and the best proof being occular demonstration, I write you this letter, that you may show to any such, and also direct them to me for further proof, who am in and out of the N. Y. Wire Railing Establishment every day.

My hair is now its natural color and much improved in appearance every way, being glossier and thicker

PROF. Wood: Dear Sir-Your Hair Restgrative he PROF. WOOD: Dear Sir—Your Hair Resignative has done much good in this part of the country. My hair has been slightly diminishing for several years, caused, I suppose, from a slight burn when I was quite an infant. I have been using your Hair Restorative for six weeks and I find that I have a fine head of hair now growing, after having used all other remedies known to none effect. I think it the most valuable remedy now extant, and advise all who are afflicted that way to use your remedy.

Your can publish this if you think proper.

PROF. Wood: Dear Sir—Your Hair Restorative is proving itself heneficial to me. The front, and also the back part of my head almost lost its covering—was in fact Bald. I have used but two half pint bottles of your Restorative, and now the top of my head is well studded with a promising crop of young hair, and the front is also receiving its benefit. I have tried other preparations without any benefit whatever. I think from my own personal recommendation, I can induce many others to try it. Yours respectfully,

D. R. THOMAS, M.D., No. 464 Vine street.

The Restorative is put up in Routles of three sizes.
